A meeting of IQAC (Internal Quality Assurance Cell) of the college held to-day on 03 November, 2018 under the chairmanship of Dr. B. N. Pandey in the Seminar Hall of the college. The co-ordinator cum Secretary of the I. Q. A. C. introduced the dignitaries of the cell and reported the present situation of the college. Dr. Pandey, the co-ordinator of the college reported that Varanasi Mahavidyalaya is the only single faculty of the college in the state and it is running in a very short space or building in the Patna college. The land

allotted by the Patna University as in the Saidpur campus. 04.6 Acre land in the Saidpur campus has not been made yet demarcated and 03 acre land has been taken by the Govt. of Bihar for erecting 'Science-City'. On the 14th October, 2018, Hon. Vice-Chancellor Patna University has made available only 2 Acre land (approx.) for the college. The land has yet to be demarcated by the boundary with barbed wire so that the college can use the space for various activities.

The Principal of the college mentioned that due to scarcity of the adequate teachers Research scholars like NEI/JRF engage the

classes of U.G. and P.G. classes. The college is preparing for the NAAC accreditation but there are certain requirements to erect or develop the infrastructure of the college and for that we need money.

The I.G.A.C. cell unanimously resolved to prepare a detailed expenditure to meet the essential requirements for filling I.T.G.A. and S.S.R., digital library, smart classes and other formalities necessary for NAAC accreditation. The co-ordinator of the NAAC & I.G.A.C. has been authorized to prepare a letter to the Principal Secretary Education Dept., Govt. of Bihar and send it

after taking the consent of the V.C. P.U. so that the college may develop the college and try to improve the educational & academic environment.

The I.G.A.C. resolved to maintain the existing campus of the college and start process for erecting the New Campus.

Further, the cell resolved to develop the academic environment of ~~the~~ college.

The cell also resolved to establish a link between the college and the Business Centres.

The meeting was concluded by the thanks given by the member, Dr. N.A. John.
