पटना विश्वविद्यालय  
PATNA UNIVERSITY  
NOTIFICATION

It is very serious matter that most of the institutions do not take cognizance of the last date fixed for any admission or for submission of admission fee. The dates fixed by the University for admission/Registration are taken in a very casual manner and concerned students are not properly informed through e-mail/mobile no./website/notice board. The staff dealing with the job concerned are also not giving proper information to the student concerned. Simply sending the students or forwarding their applications is not the solutions for such ignorance, it leads to wastage of time which could have been used for other constructive work.

However, since the large number of students of part 2<sup>nd</sup> year/ 3<sup>rd</sup> Semester and 3<sup>rd</sup> year could not submit their admission fee, the last date is extended till September 30, 2019.

The persons concerned of the institutions will be held responsible if any student fails to deposit the admission fee in absence of proper information.

The last date will not be extended beyond September 30, 2019 under any circumstances.

This notification is in continuation of this office notification memo no. DSW/8691 dated 26.08.2019 and memo no. Adm/8454 dated 27.07.2019.

By order of the Vice Chancellor,
